Division - On a Place Value Chart Part 1

Word Problems (4 digit by 1 digit)

(4.NBT.B.5, 4.OA.A.2)

Directions: Solve the following word problems. **Show your work** using numbers, pictures (Place Value Chart), and words. 😊

① Jack collects stickers of monkeys playing the banjo. So far he has 1,216. He keeps them in 4 banana boxes. If he has the same number of stickers in each box, what is the total number of stickers in each box?
